³ The acts listed under this point are acts that were partly applicable to Iceland before the review, and which are still partly applicable. It is stated in relation to the acts that *"This act applies to Iceland for the areas referred to in paragraph 2 of the Introductory Part"*. Before the review, the acts would have been applicable only to aquaculture animals and products, bivalve molluscs and fishery products. However, the applicability may have changed following the review, as Iceland now has taken over the all veterinary legislation, except for *"the provisions concerning live animals, other than fish and aquaculture animals, and animal products such as ova, embryo and semen"* (paragraph 2 of the Introductory Part of Chapter I of Annex I). Possible changes in the applicability of the acts following the review have not been reflected under this point, but will follow from an interpretation of the acts in light of the current paragraph 2 of the Introductory Part.
