From the Prime Minister of Iceland

Skrifað 7.10.2008 Kl.13:34

In a press conference today Iceland's Prime Minister, Mr. Geir H. Haarde, said that if needed the Icelandic Government will support the Depositors' and Investors' Guarantee Fund in raising the necessary funds, so that the Fund would be able to meet the minimum compensation limits in the event of a failure of an Icelandic bank.

The Icelandic banks have top up agreements in the following countries:

- United Kingdom
- The Netherlands
- Norway
- Finland
- Sweden

The Fund would like to stress that no Icelandic bank has been declared insolvent.

Any further information will be put to the Funds website, www.tryggingarsjodur.is when needed.
