### Undirrituð mælir eindregið með samþykki þessa frumvarps í heild sinni.

The reason I feel the need to write to you is because as a tourist and Icelandic Horse owner and buyer from Iceland You could

- That the blood mare business it is not in accordance with the Icelandic law of animal welfare. Lög um velferð dýra: <https://www.althingi.is/lagas/nuna/2013055.html>
- That it will damage the image of Iceland in the civilized world where animal rights are regarded as important and necessary.
- I also feel it it will damage the image of Iceland and many people come to visit and will not support a tourist economy that ignores brutality against animals at its doorsteps leading to a potential financial set back to the whole tourism industry in Iceland.

**Þar af leiðandi fer ég Shona Stewart þess á leit við stjórnvöld á Íslandi að þau banni samstundis blóðtöku fylfullra hryssa, svokallaðra blóðmera, á Íslandi.**
